Madam / Sir,

**Subject: Business responsibility and sustainability reporting by listed entities**

1. In recent times, adapting to and mitigating climate change impact, inclusive growth and transitioning to a sustainable economy have emerged as major issues globally. There is an increased focus of investors and other stakeholders seeking businesses to be responsible and sustainable towards the environment and society. Thus, reporting of company's performance on sustainability related factors has become as vital as reporting on financial and operational performance.
2. SEBI vide Circular no. CIR/CFD/CMD/10/2015 dated November 04, 2015 has prescribed the format for the Business Responsibility Report (BRR) in respect of reporting on ESG (Environment, Social and Governance) parameters by listed entities.
3. In terms of amendment to regulation 34 (2) (f) of LODR Regulations vide Gazette notification no. SEBI/LAD-NRO/GN/2021/22 dated May 05, 2021, it has now been decided to introduce new reporting requirements on ESG parameters called the Business Responsibility and Sustainability Report (BRSR). The BRSR is accompanied with a guidance note to enable the companies to interpret the scope of disclosures. The format of the BRSR and the guidance note are detailed in [Annexure I](#) and [Annexure II](#) respectively.
4. The BRSR seeks disclosures from listed entities on their performance against the nine principles of the 'National Guidelines on Responsible Business Conduct' (NGBRCs) and reporting under each principle is divided into essential and leadership indicators. The essential indicators are required to be reported on a mandatory basis while the reporting of leadership indicators is on a voluntary basis. Listed entities should endeavor to report the leadership indicators also.

5. The BRSR is intended towards having quantitative and standardized disclosures on ESG parameters to enable comparability across companies, sectors and time. Such disclosures will be helpful for investors to make better investment decisions. The BRSR shall also enable companies to engage more meaningfully with their stakeholders, by encouraging them to look beyond financials and towards social and environmental impacts.
6. The listed entities already preparing and disclosing sustainability reports based on internationally accepted reporting frameworks (such as GRI, SASB, TCFD or Integrated Reporting) may cross-reference the disclosures made under such framework to the disclosures sought under the BRSR.

### **Applicability**

7. In terms of the aforesaid amendment, with effect from the financial year 2022-2023, filing of BRSR shall be mandatory for the top 1000 listed companies (by market capitalization) and shall replace the existing BRR. Filing of BRSR is voluntary for the financial year 2021-22.
8. The Stock Exchanges are advised to bring the provisions of this circular to the notice of all listed entities and also disseminate the same on their websites.
9. The Circular is issued in exercise of the powers conferred under Section 11(1) of the Securities and Exchange Board of India Act, 1992 read with Regulation 101 of the LODR.

Yours faithfully,
